# Nature-Love-Science in one name - Top Dog!

At Top Dog, our paramount commitment rests upon the vitality and welfare of your cherished pets. With our brand, you can rest assured that you have selected the pinnacle of care and grooming solutions. Our formulations epitomize a delicate balance of effectiveness and gentleness, assuring safety while addressing the unique needs of each pet's distinct coat and skin profile. Backed by rigorous research, expertise and the scientific method, we harness the inherent potency of nature's resources and employ exclusively premium-grade ingredients.

Our specialized formulas encapsulate a holistic approach to pet hygiene and well-being, catering comprehensively to diverse coat textures, skin types and an array of grooming requisites. From mitigating dead coat concerns to revitalizing damaged fur, combating oiliness and amplifying volume and gloss, our offerings represent a panoramic tapestry of care.

The outcome is manifested in immaculate pets adorned with luxuriously soft, radiant, and tangle-free coats, exuding a delightful smell, while showcasing healthy, balanced skin that exemplifies the essence of a well-nourished coat. It is this harmonious composition that ensures your pet not only looks exceptional but also feels effortlessly comfortable. Embark on an exploration of our distinctive creations; a testament to our resolute dedication to the art of pet care.

# Trust the beneficial properties of our natural ingredients and give your pet the quality pampering they truly deserve!

Elevating pet coat care transcends aesthetics; it's pivotal for hygiene and well-being of dogs, cats, rabbits & horses. A robust coat and skin regulate temperature, safeguard against allergens, dryness and discomfort, enhancing their daily comfort. Experience the pinnacle of pet wellness with our expertly crafted solutions – a testament to both care and quality.

# BABY POWDER

250ml

4lt

Mild Shampoo & Conditioner with 80% active Aloe, ideal for sensitive or even atopic skin.

- Moisturizes deeply.
- Ideal for puppies & senior pets.
- With a lovely baby powder scent.
- Suitable for all coat and skin types.

DILUTION: 20:1 (water : shampoo)

“Baby Powder” Shampoo & Conditioner is the optimal selection for puppies and senior pets with sensitive skin, distinguished by its exceptional Aloe concentration, soaring up to 80%. Gently purifying both coat and skin, it orchestrates a harmonious symphony of cleansing sans irritation, complemented by its emollient attributes, facilitating seamless detangling and the effortless removal of dead undercoat. A fusion of Olive oil, Jojoba oil, Panthenol and Vitamin E, collaborates to fortify the coat’s resilience, yielding a supple, lustrous and enduringly fragrant coat that lasts until the next bathing ritual. The badge of being Top Dog’s favored pet shampoo is no coincidence; acclaimed by pet parents, professionals and pets themselves, it is valued for its transformative impact on coat condition, skin vitality and the entrancing, nuanced sweetness of a powder-fresh tone. Welcome to the realm of Baby Powder, where uncompromised excellence meets the delicate embrace of nature’s prowess.

SUITABLE FOR:

# COOKIES

250ml

4lt

**Mild Shampoo & Conditioner  
for all hair types with a wonderful  
cookies scent.**

- Ideal for deshedding.
- Strengthens and moisturizes the coat.
- With antifungal properties &
- Delicious cookie aroma.

**DILUTION: 20:1 (water : shampoo)**

Experience the essence of pet care with our 2-in-1 Shampoo and Conditioner, aptly named **"Cookies"**. Merging the virtues of gentle purification and profound moisturization, it simultaneously streamlines detangling efforts and facilitates the **effortless removal of loose hair**. Boasting a high 40% active Aloe content, complemented by attentively chosen mild cleansing agents, it emerges as the model solution for diverse coat types. Infused with the enriching potency of Olive oil, Panthenol and Vitamin E, this formulation not only bolsters coat strength but also delves deep to nourish and moisturize the skin. What sets this formulation apart is its Lavender extract, renowned for its antifungal and antiseptic attributes, contributing to an enhanced shield against various fungi.

**SUITABLE FOR:**

# FLOWER MIX

250ml

4lt

**Shampoo & Conditioner with a lovely floral scent for easy combing and a healthy shiny coat.**

- Ideal for deshedding.
- Healthy, gleaming and smooth coat.
- Moisturizes skin and coat.

**DILUTION: 20:1 (water : shampoo)**

The exquisite **"Flower Mix" Shampoo and Conditioner** with its distinguished formulation, intertwines a delicate cleansing matrix with profound skin moisturization, harmonizing to facilitate seamless detangling and the effortless removal of loose hair. Enriched with Rosemary extract, it **grants a glorious shine and heightened suppleness to the coat**, epitomizing a state of robust **health and silkiness**. Tailored to accommodate all coat types, it incorporates a blend of mild cleansing agents and a substantial 40% active Aloe content rendering an all-round fit to the pet coats. A symphony of Olive oil, Panthenol and Vitamin E elevates the formula's efficacy, fortifying the coat's structural integrity and deeply moisturizing the skin.

**SUITABLE FOR:**

# FRUIT MIX

250ml

4lt

**Shampoo & Conditioner for all coat types with a wonderful fruity scent.**

- Moisturizes and soothes the skin.
- Ideal for deshedding.
- Suitable for double coats.
- Excellent for pets with intense everyday life.

**DILUTION: 20:1 (water : shampoo)**

**94%**  
Ingredients of  
natural origin

The esteemed **"Fruit Mix" Shampoo and Conditioner** is a culmination of meticulous formulation marrying 40% active Aloe content with a harmonious blend of mild cleansing agents. Tailored for a spectrum of coat types, this offering shines particularly in **catering to double and high-maintenance coats**. Leveraging the nurturing potential of Panthenol, Vitamin E and Olive Oil, this formulation embarks on a mission of profound coat moisturization and fortification. The infusion of Calendula oil adds potent **soothing and healing attributes**, expediting the recuperation of skin imperfections. Its innate emollient qualities promote effortless detangling and the seamless removal of dead hair, elevating the grooming experience to a routine of unsurpassed finesse.

**SUITABLE FOR:**

# NARCISSUS

250ml

4lt

**Coat strengthening shampoo, with evening primrose scent.**

- Ideal for double coats.
- Enhances shine.
- Strengthens the hair.
- Helps to reduce stress.

**DILUTION: 20:1 (water : shampoo))**

“Narcissus” Shampoo and Conditioner is a masterful synthesis of 40% active Aloe concentration and skillfully selected mild cleansing agents, rendering it a suitable **fit across all coat types**. The harmonious infusion of Olive oil, Panthenol and Vitamin E ensues in profound coat fortification and a deeply moisturized skin. This emollient-rich formulation offers **effortless detangling and the efficacious removal of dead hair**. Beyond its technical excellence, the Narcissus formula boasts an enchanting evening primrose fragrance, augmented by the soothing allure of Ylang Ylang oil renowned for its **anti-anxiety properties**. This synergy confers dual benefits: an olfactory delight and a serene temperament enhancement, fostering an environment of tranquility and calm comportment for pets.

**SUITABLE FOR:**

# CITRONELLA

250ml

4lt

**Shampoo & Conditioner with natural skin and coat protection agents for the summer.**

- Suitable only for dogs.
- Moisturizes the skin.
- Enhances the shine of the coat.
- For all coat types.

**DILUTION: 20:1 (water : shampoo)**

“Citronella” Shampoo & Conditioner is an optimal selection catering to dogs, particularly those in outdoor environments, across all coat types and specially formulated for better defense against external factors. Crafted with meticulous precision, this formulation is fortified with essential oils of Citronella and Neem, imparting a **robust defense mechanism against seasonal nuisances**. This protective prowess is further amplified by the sensible inclusion of Eucalyptus, Lavender, Rosemary and Basil essential oils. Encompassing an impressive 40% active Aloe content alongside gentle cleansing agents, this solution remains **universally adept for diverse hair types**. The mixture of Olive oil, Panthenol and Vitamin E fortifies the coat’s structural integrity and imbues the skin with profound moisture. Complementing these attributes, its emollient-rich composition offers seamless detangling and the effortless removal of dead hair. Discover the pinnacle of summer care with Citronella-an eloquent convergence of expertise and botanical excellence!

**SUITABLE FOR:**

# WHITENING

250ml

4lt

Specialized Shampoo for shimmering white coats.

- Does not contain hydrogen peroxide.
- Restores colour and shine to white coats.
- For lasting result that stands out.

DILUTION: 20:1 (water : shampoo)

The “Whitening” Shampoo stands as a specialized grooming solution meticulously crafted for **pets with white coats**. Its hallmark lies in the integration of Indigo dye, a sophisticated element that adeptly **removes undesirable discolorations within the white fur**. The outcome is a **luminous white coat** that endures for an extended span, all achieved without the use of hydrogen peroxide or other bleaching agents. Formulated with precision, it boasts a fortified composition encompassing a remarkable 40% of Active Aloe, coupled with Olive Oil, TiO2 and an exquisite blend of Silicones. These constituents seamlessly assimilate into the hair, augmenting its **luster and overall luminosity**. Parallely, the inclusion of Primula oil, renowned for its anti-eczema attributes, bestows profound skin hydration, amplifying its caring properties.

SUITABLE FOR:

# COLOUR PLUS

250ml

4lt

**Specialized Shampoo for black, brown and silver coats.**

- Offers impressive colour and shine to the coat.
- Gives long-lasting vibrancy to colour.
- Does not damage the hair.
- Moisturizes deeply.

**DILUTION: 20:1 (water : shampoo))**

The “Colour Plus” Shampoo has been meticulously developed to **cater to pets with brown, black, silver or white coats**, endowing them with a luxuriously glossy and refined appearance that perseveres over days.

This exceptional formula enriches and amplifies coat coloration, all while avoiding the use of abrasive cleansing agents that might compromise or deteriorate the integrity of the pet’s coat. Central to its effectiveness is a fusion of water-soluble silicone and TiO<sub>2</sub>, which binds with the hair and upgrades the degree of light reflection. The outcome is a **vivid colour rendition accompanied by a remarkably velvety, non-greasy hair texture.**

Infused with a composite of 40% active Aloe and Olive oil, complemented by the presence of Primrose oil, this formulation bears a beneficial impact on eczema while offering profound skin moisturization through its inherent fatty acid content. Moreover, it facilitates the seamless and painless combing and brushing of the coat, concurrently heightening colour intensity. This remarkable chromatic vibrancy endures over an extended duration, rendering it an exemplary choice not only for professional dog competitions but also for superlative pet grooming at home.

**SUITABLE FOR:**

# VOLUMIZING

250ml 4lt

## Coat volume enhancing shampoo.

- Boosts volume.
- Enhances the density of the coat.
- Does not weigh down the coat.
- With a wonderful White Musk aroma.

**DILUTION: 20:1 (water : shampoo)**

**"Volumizing" Shampoo** is a meticulously crafted solution tailored **for enhancing coat volume**, particularly for breeds with curly and double coats like Poodles, Terriers, and Bichon Frisé. This specialized formula integrates an intricate array of volume-boosting agents. In conjunction with vegetable Keratin proteins and Antistatic agents, this formulation penetrates deeply into the hair structure, resulting in a **pronounced augmentation of hair integrity**, while adeptly rectifying any coat imperfections. Fortified with an impressive combination of 40% active Aloe, Olive oil and Argan oil, it offers comprehensive moisture to both the coat and skin. This shampoo proves to be the ideal choice for achieving a **luminous, airy and supple coat**, brimming with **abundant volume and graceful movement**. All these attributes are accompanied by the timeless and delightful White Musk fragrance, adding an extra layer of sensory delight to the grooming experience.

## SUITABLE FOR:

# KERATIN COMPLEX

250ml

4lt

**Specialized Shampoo with plant Keratin for Repair, Strengthening and Shine.**

- Repairs and restores damaged hair.
- Deeply Moisturizes.
- Helps reduce hair loss.

**DILUTION: 20:1 (water : shampoo)**

The “Keratin Complex” Shampoo is a distinctive formulation meticulously developed to cater to the high demands of **damaged hair that is in need of profound nourishment and restoration**. Enriched with a substantial concentration of hydrolyzed plant-based Keratin, active Aloe Vera and Olive oil, this shampoo **diligently restores damaged hair, diminishes instances of hair loss, delivers optimal moisturization, enhances hair luster and bestows a luminous and velvety-smooth coat**. Moreover, the infusion of Argan oil imparts supplementary moisturization sans any undesirable residue, culminating in a remarkably sleek and **frizz-free result**. This formulation is suitable for damaged hair seeking comprehensive revitalization, as well as for situations where a reduction in hair loss is a prime concern.

**SUITABLE FOR:**

# DERMA EQUILIBRIUM

250ml

1lt

4lt

**Frequent use deodorizing shampoo.**  
**With bioactive Aloe Vera & Colloidal Silver.**

- Balances the skin.
- Fights unpleasant odours.
- Treats dandruff.
- Ideal for sensitive or atopic skin.

**DILUTION: 10:1 (water : shampoo)**

“Derma Equilibrium” Shampoo represents a breakthrough in pet shampoo formulations. Its utilization becomes paramount in instances **where strong and unpleasant odours** caused by bacterial, germ, yeast and fungal sources, or excessive sebum production, **must be eliminated**. Its rapid and enduring effects are coupled with a **deodorizing blend** of Mint and Spearmint essential oils, delivering a pleasant, refreshing aroma. Particularly well-suited for **atopic and ultra-sensitive skin conditions**, the shampoo’s composition boasts an impressive 80% concentration of Aloe Vera and Olive oil. Free from artificial fragrances, it supports frequent use, even daily if needed, leaving the dog’s skin and coat impeccably clean, soft and moisturized.

**SUITABLE FOR:**

# GREEN CLAY

250ml

1lt

**Shampoo for managing specific skin conditions in pets with very oily skin, or excessive sebum production.**

- Removes dead cells.
- Removes oiliness and sebum.
- Detoxifies naturally.
- Helps to balance the skin.

**DILUTION: without or with a light dilution  
10:1 (water : shampoo)**

**“Green Clay” Shampoo** is a cutting-edge solution meticulously formulated to **address specific skin conditions** prevalent in pets, marked by excessive sebum production or extremely oily skin that often result in dull, greasy coats, unpleasant odours and disrupted skin balance. At its core, the formula harnesses the transformative power of Green Clay, a pivotal natural ingredient renowned for its thorough cleansing effects. This component excels in **eliminating dead cells, non-bacterial odours, excess oil and sebum accumulation, while also detoxifying the skin**. Simultaneously, the shampoo excels in **moisturizing pet’s skin and coat and pore refinement**. This multi-faceted action not only restores skin equilibrium but also enhances its overall health and aesthetics of the coat. Enriched with Plant Keratin proteins, it fosters moisturization, repair, elasticity and enduring luster for the coat. The infusion of Argan, Primrose, Calendula, Jojoba and Olive oils further amplifies the shampoo’s prowess, endowing it with attributes ranging from moisturization and anti-itch properties to antioxidants and soothing. With a rich, hypoallergenic formulation devoid of fragrances, Green Clay hampoo redefines the essence of pet well-being and stands as an indispensable solution tailored for the precise care of pets requiring specialized skin attention, surpassing conventional grooming products.

**SUITABLE FOR:**

# DRY CLEANING

150ml

**Dry cleaning shampoo for daily,  
local cleaning of paws and coat.**

- Removes stains and odours.
- For daily use.
- No rinsing required.

**“Dry Cleaning” Shampoo** represents a remarkably gentle foaming formulation, meticulously designed to facilitate **swift, waterless stain removal with utmost efficiency**. Ideal for regular and frequent application, it's particularly suitable for pets with an active outdoor lifestyle, for puppies or those facing incontinence challenges. Furthermore, it serves as an excellent choice for **cleansing paws and the perianal region** following daily walks. Infused with Colloidal Silver, this formulation demonstrates potent antimicrobial attributes, **instantly neutralizing odours** upon application while **effectively cleansing without compromising the skin's moisture balance**. Notably, this innovative shampoo **does not need rinsing**, ensuring a residue-free finish that leaves the coat immaculate and without an oily residue.

## SUITABLE FOR:

# FACIAL WASH

OPHTHALMO-  
LOGICALLY  
TESTED

150ml

4lt

**Gentle and Tear-free  
Pet Facial Cleansing Foam.**

- Ophthalmologically Tested.
- Does not irritate eyes and skin.
- Nourishes and moisturizes the coat.

“Facial Wash” is a distinguished **no - tears rinse-off facial cleanser** meticulously crafted to cater to the **sensitive eyes and skin** of pets. This exceptional formulation offers an unparalleled cleansing result while upholding the utmost gentleness and care. Imbued with a commitment to comprehensive pet well-being, this **facial cleanser** boasts a dual action of profound cleansing paired with enriching moisturization. Glycerin and Betaine, known for their hydrating attributes, grace the formulation to not only ensure an effective wash but also to nourish and rejuvenate both the coat and the skin. **Top Dog Facial Wash is adept at eliminating blemishes, tear secretions and tenacious crusted stains** that may encumber the pets face. The cleanser’s efficacy extends to **addressing undesirable odours**, rendering it a holistic solution for maintaining pet hygiene. An invaluable element within this formulation is the incorporation of microparticle Colloidal Silver which effectively and naturally combats bacterial growth and its associated consequences.

**SUITABLE FOR:**

# DEEP CLEANING

4lt

**Specialized Professional all-purpose shampoo for deep and demanding cleaning.**

- Ideal as a primer shampoo.
- Deep cleansing of the coat.
- Removes odours.
- Revitalizes the skin.

**DILUTION: 20:1 (water : shampoo)**

**“Deep Cleaning” Shampoo** is a meticulous formulation tailored for **profound and demanding cleansing**. Enriched with an additional 25% of potent cleaning agents, it demonstrates exceptional prowess in combating **even the most stubborn dirt** and at the same time **keeps the skin and hair moisturized**. This formula not only revitalizes both skin and coat but also imparts enduring days of invigorating freshness, effectively **neutralizing lingering odours**. Ideal for the **first wash**, this shampoo **synergizes seamlessly with the entire range of Top Dog shampoos**, enhancing their efficacy in subsequent rounds of shampooing. It embodies a strategic approach to cleansing, ensuring comprehensive results that meet the **highest standards of professional grooming**.

**SUITABLE FOR:**

# GROOM PRO DEGREASING

**87%**  
Ingredients of  
natural origin

4lt

**Advanced pet shampoo to effectively eliminate persistent dirt and grease.**

- Eliminates heavy dirt.
- Removes grease.
- Suitable for all hair types.

**DILUTION: 50:1 (water : shampoo)**

Crafted with professionals in mind, **"Groom Pro Degreasing" Shampoo** stands as an exceptional solution, fortified with a decent 20% Active Aloe content. This specialized shampoo showcases its remarkable **effectiveness in tackling stubborn grease and challenging stains**, a testament to its formulation enriched with advanced cleaning esters and a robust cleansing system. Upon using the 'Groom Pro Degreasing' shampoo, we recommend following up with Top Dog Conditioner, Green Clay Mask or Repair Leave In Mask. This regimen ensures the restoration of natural oils and moisture to both coat and skin, fostering optimal health and vitality. Boasting a vegan and innovative water-based composition, this formulation achieves an impressive concentration ratio up to 50:1. Employed as a primary step in grooming and suitable to diverse coat types, 'Groom Pro Degreasing' showcases its prowess with distinction, **aligning with the high standards expected by grooming professionals.**

**SUITABLE FOR:**

# Enhance grooming with TOP DOG conditioners-masks, for a holistic coat and skin care experience.

The primary role of the conditioner is to restore the necessary oils, providing vital moisture to both hair and skin while addressing natural wear and tear.

It facilitates effortless combing and minimizes the discomfort of dead hair removal, resulting in a lustrous, soft and smooth coat. Simultaneously, it enhances airflow after the grooming and rejuvenates the coat by effectively eliminating trapped moisture.

# CONDITIONER

Conditioner designed for thorough coat moisturization and restoration.

- Makes combing easier.
- Gives softness to the coat.
- Enhances shine.
- Accelerates drying.

Engineered to deliver impeccable outcomes, **Top Dog “Conditioner”** represents a lavish and **nourishing emulsion** meticulously formulated with an array of Squalane, Hemisqualane oils and delicate water-soluble silicones that are adsorbed deeply **for profound moisturization**. Infused with Panthenol, Plant Keratin and Vitamin E, it awards enriching benefits to the hair, effectively **rejuvenating even the most distressed or compromised coats**. The conditioner yields exceptional results, **augmenting volume** and enhancing the ease of scissoring for precision in symmetrical cuts. Notably, it **excels in softening knots**, expediting drying times across all scenarios due to its distinctive composition. This specialized formulation is a hallmark of our commitment to elevating the grooming experience, particularly in demanding competition environments.

## SUITABLE FOR:

# GREEN CLAY MASK

200ml

1lt

**Treatment for profound revitalization and thorough moisturization.**

- Highlights the texture and volume of the coat.
- Repairs the coat.
- Gives shine.
- Moisturizes deeply.

“Green Clay” Mask stands as an advanced **reparative cream** meticulously designed to **optimize coat texture**, primarily **catering rough coat types**. Its application imparts **structural integrity and volume to the hair**, effectively **mitigating frizz** and accentuating its distinct attributes. This innovative formulation, comprising an impressive 80% Active Aloe concentration, is fortified with a fusion of Olive Oil, Argan Oil, Primrose Oil, Calendula Oil, Squalane and Jojoba Oil. This potent blend serves to **deeply hydrate the coat**, facilitating the seamless removal of dead hair while fostering a grooming experience of sustained excellence. The incorporation of Green Clay in this formulation plays a pivotal role in **revitalizing both coat and skin**, bolstering their health. Further enhancing this restorative effect, Panthenol, in conjunction with Plant Keratin Amino Acids, imparts a **radiant shine** to the coat. “Green Clay Mask” is the product of choice for the development of the correct hair texture for scissoring woolly and curly coat types such as Bichon Frise, Poodles, Pomeranian, Spitz etc. and embodies a commitment to elevating grooming standards, offering a transformative experience tailored for pet hair.

## SUITABLE FOR:

# LEAVE IN MASK

**No-rinse mask for deep hydration.**

- Moisturizes deeply.
- Repairs damaged hair.
- Gives shine.
- Makes brushing easier.
- Accelerates drying.

**89%**  
Ingredients of  
natural origin

Introducing the **“Repair Leave In” Mask**, an exceptional and lightweight **non-greasy** formulation designed to **remain on the coat, delivering remarkable restorative benefits**. Enriched with proteins, plant ceramides and active amino acids, this mask plays a pivotal role in **rejuvenating the pet’s damaged coat**. With a high concentration of antistatic elements, it **effectively detangles matted hair**. The presence of Panthenol, Glycerin, Olive oil and Argan oil serves to reinstate a **lustrous shine and gloss** to the coat. Simultaneously, it ensures the **skin’s moisturization**, further fortified by its capacity to **strengthen the skin barrier**, even in the most challenging cases. The “Repair Leave In Mask” exemplifies a commitment to excellence in grooming, embodying a comprehensive solution that addresses both coat and skin needs.

**SUITABLE FOR:**

Let's spark nature  
in the pets world!

# MOISTURIZING FRAGRANCES

Top Dog presents a collection of water-based moisturizing fragrances that elevate the pet bathing experience, accentuating the coat to achieve enduring grooming excellence. This sophisticated range deeply moisturizes and **revitalizes both coat and skin**, boasting a gradual and delicate aroma release facilitated by advanced slow-release technology, ensuring **fragrance endurance over days**. Free from alcohol content, these fragrances exhibit a non-greasy formula, preserving the coat's integrity. Offering a diverse selection encompassing fresh, sweet, classic and exotic aromas, Top Dog caters to every preference, underscoring our commitment to offering an option for each unique pet. **Meet Top Dog's fragrances!**

# COAT STYLING

Top Dog introduces a range of styling products that effortlessly enhance shine, volume and styling precision. Especially beneficial for grooming dogs with challenging hair types like double, long, curly, silky or wired coats, these auxiliary grooming solutions aid in detangling, amplifying shine and maintaining coat integrity for impeccable styling results. Meet Top Dog's Styling Collection.

# EASY COMB

150ml

Plant Keratin Antistatic lotion  
for easy combing.

- Eliminates static electricity.
- Prevents frizz.
- Gives a silky texture.
- Does not weigh down the coat.

“Easy Comb” Pet Grooming Spray is a potent **anti-static lotion** crafted to facilitate **seamless and comfortable daily combing**. It is meticulously tailored **for long-haired breeds**, where maintaining a pristine coat aligns with the pet’s overall well-being. Formulated with Plant Keratin and softening agents, it effectively **counters static electricity, preventing frizz and waves**. This spray imparts a **silky texture** to the coat without any greasiness, while preserving the coat’s natural structure between grooming sessions. Exceptionally user-friendly, does not need rinsing.

SUITABLE FOR:

# MIRACLE DETANGLER

200ml

## Antistatic Pet Knot-removing lotion.

- Untangles demanding knots.
- Removes dead hair.
- Eliminates static electricity.

“Miracle Detangler” is a professional-grade anti-static lotion meticulously designed to render even the most stubborn tangles effortlessly manageable. Particularly effective in addressing trapped dead hair within heavily tangled or matted coats, it significantly reduces the discomfort associated with the detangling process for pets. This innovative formula not only counteracts static electricity but also establishes a protective barrier around the hair, safeguarding it against dust, dirt and environmental elements. Enhanced by a sophisticated blend of water-soluble Silicones and Antistatic agents, harmoniously combined with Panthenol, Vitamin E and Hydrolyzed Plant Keratin, this formulation nurtures the hair, bestowing a radiant shine to the coat and streamlining brushing routines. Suitable for both dry and wet hair, “Miracle Detangler” is versatile in application. Its residue-free nature and the absence of a rinsing requirement exemplify its user-friendly attributes, making it an indispensable asset in maintaining coat integrity and promoting overall pet comfort.

## SUITABLE FOR:

# BRIGHT SHINE

75ml

200ml

## Coat Shine Spray.

- Gives a dazzling glow.
- Moisturizes and protects the coat.

**80%**Ingredients of  
natural origin

"Bright Shine" Spray represents an optimal finishing solution tailored for meticulous **post-brushing styling**. Enriched with a sophisticated blend of lightweight water-soluble Silicones, nourishing Argan oil and Vitamin E, its formulation bestows a **remarkable luster and brilliance** upon the coat. This product proves especially adept at effortlessly resolving intricate knots when applied to specific areas. By safeguarding the hair and preserving moisture, it actively **contributes to the longevity of grooming efforts**. Its non-greasy, residue-free nature ensures the hair remains impeccably cared for, imparting a **velvety texture** without the need for rinsing. Notably, this spray culminates in a professionally refined presentation, particularly advantageous for competitions, while also fostering the overall well-being of the coat.

## SUITABLE FOR:

# VOLUME PLUS

200ml

## Coat Volume Enhancing Lotion.

- Gives volume.
- Improves coat density.

The “Volume Plus” Professional Volume Booster Lotion has been meticulously formulated to yield a **substantial amplification in volume** when strategically applied to the coat. This advanced solution serves to **bridge gaps and enhance overall coat density** with precision. Concurrently, it delivers **essential nourishment and profound hydration**, all while establishing a resilient barrier that effectively **safeguards the hair against dust, dirt and other external elements**. This multifaceted lotion proves instrumental during the coat-brushing process, adeptly expanding the coat’s structure to seamlessly fill voids, resulting in a **harmoniously balanced and flawlessly perfected outcome**. Tailored for competitive contexts, particularly when executing intricate designs on coats with distinctive attributes such as curls, dual layers, silkiness and length, this formulation stands as an indispensable asset in the pursuit of voluminous artistry.

## SUITABLE FOR:

150ml

1lt

**Multi-functional Deodorant,  
Ear Cleansing and Healing Spray  
for Pets.**

- Cleans ears and skin.
- Offers a deodorizing effect on the whole body.
- Helps heal skin abrasions and irritations.

**95%**  
Ingredients of  
natural origin

The innovative “Ear & Skin Care 3in1” Spray is a versatile solution designed to comprehensively address various aspects of canine well-being. This multifunctional product offers a holistic approach to dog care:

**Ear Cleanser:** Effectively eliminates dirt from both inner and outer ears, curbing the potential for microbial proliferation. **Coat Deodorizer:** Swiftly neutralizes unpleasant odours stemming from bacterial, yeast and fungal sources, providing instant freshness. **Skin Barrier Enhancer:** Reinforces the skin’s natural defense mechanism, doubling as a first aid remedy for cuts and specific skin conditions, providing relief from itching symptoms. A must-have for a thorough care regimen suitable for all dogs, particularly those with unique skin requirements, potent odours, or heightened ear sensitivity leading to recurrent ear infections. This remarkable solution caters to diverse canine needs, embodying a comprehensive approach to their well-being.

**SUITABLE FOR:**

# NO MORE STAINS

50ml

## Tears stains Cleansing Emulsion for the eye area.

- Ophthalmologically Tested.
- Cleanses, moisturizes and soothes the eye area.
- Removes tears and food pigments from the hair.
- Helps in the regeneration of skin cells.

Presenting “No More Stains” an ophthalmologically tested emulsion meticulously formulated for the gentle and effective cleansing of pets’ eye areas, especially for white-coat dogs that tear stains present more intensely. This advanced formula offers a comprehensive 4-in-1 solution: **cleansing, moisturizing, soothing and regenerating skin and hair cells**. Enriched with a synergistic blend of 11 natural ingredients and Vitamins E & C, this product stands as an indispensable asset in the realm of dog eye care. By **purifying and moisturizing the coat**, it plays a pivotal role in the regeneration of skin cells, particularly by eliminating accumulations of dead cells in the eye area that serve as breeding grounds for bacteria. Simultaneously, it adeptly dissolves secretions around the eyes and mouth, addressing discoloration in the coat, while actively inhibiting microbial growth at the application site. For optimal efficacy, the precise and consistent application of the No More Stains Cleansing Cream is paramount. This practice prevents the buildup of secretions and the potential for coat staining, ensuring your pet’s pristine appearance is upheld with unwavering care and attention. This formulation embodies our commitment to delivering excellence in pet care and maintaining their immaculate appearance.

### SUITABLE FOR:

# ORAL CARE

75ml

## Canine Oral Hygiene Spray against odours.

- Helps prevent the development of dental plaque.
- Helps protect against bacterial growth in the mouth.
- Limits bad breath.

Introducing the **Top Dog “Oral Care” Solution**, an innovative **anti-plaque spray that effectively combats persistent bad breath**. This advanced formulation incorporates the power of 24ppm Colloidal Silver, a natural antibacterial agent renowned for its efficacy. Notably, the presence of Glycerin, Sorbitol and Betaine imparts exceptional moisturizing and hygroscopic properties, effectively **detering bacterial growth**. Enhancing its appeal is the inclusion of specialized Hyaluronic Acid, meticulously designed for oral application, **promoting improved oral cavity moisture** and a more pleasant experience for your pet. Preserved with entirely safe polyols suitable for oral hygiene, the synergy of Colloidal Silver and Red Willow extract within the Oral Care solution effectively **curbs bacterial concentration** in the periodontal region. Further augmenting its prowess, the Chlorophyll-Copper complex, in conjunction with Zinc Citrate, plays a pivotal role in **neutralizing unpleasant odours and proactively blocking tartar development**. With a delicate, mild strawberry flavor, this solution ensures an effective yet palatable oral care experience for the pet.

# SPECIALIZED PRODUCTS

[BACK TO MAIN MENU](#)

At Top Dog, our approach is anchored in advanced research encompassing pet skin and hair typology, coupled with our profound understanding of the restorative potentials harbored within natural ingredients. This synergy culminates in the creation of bespoke skin and coat care products, meticulously engineered to safeguard, nurture and alleviate sensitive pet skin.

Recognizing the pivotal role that proper skin care plays in the holistic well-being of pets, we address the myriad factors that can undermine skin health. From parasites and allergies to hormonal imbalances, fungal or yeast infections, excessive sebum production, dry or atopic skin and exposure to environmental elements or agents, we appreciate the complex web that can lead to mild to severe skin irritations, hot spots or hair loss in pets.

Our unwavering dedication to vigilance ensures that the distinct skin conditions of each pet are discerned and catered to, with precision and care. This discernment, coupled with the selection of the most fitting care products, stands as an indispensable cornerstone in upholding the pinnacle of pet health and vitality.

Embark on a journey of impeccable pet grooming with Top Dog—a testament to the synergy of scientific excellence and botanical finesse, encapsulated in every application.

# DERMA RESTORE

200ml

**Hydrating and Exfoliating cream  
for soft, smooth skin.**

- Moisturizes the skin.
- Strengthens the skin barrier.
- Helps in dead cells shedding process.
- Helps new skin cells regeneration.

**95%**  
Ingredients of  
natural origin

Introducing the “**Derma Restore**” cream, a pioneering solution designed to **rejuvenate and refine pets’ skin**. This advanced lotion combines the potency of Sulphur, Natural Fruit Acids and White Willow Extract to effectively **exfoliate and moisturize, promoting the renewal of skin cells**. The inclusion of Sulphur not only aids in **combatting skin oiliness and sebum buildup** but also ensures **thorough purification**. Enriched with Eucalyptus, Rosemary and Tea Tree essential oils, this formula leaves behind a pleasantly invigorating fragrance post-application. Complementing these benefits, the infusion of Plant Ceramides along with Vitamins E and C works synergistically to **fortify the skin’s protective barrier**, contributing to overall **skin resilience**. Elevate your pet’s skincare regimen with the exceptional care and quality of Top Dog’s “Derma Restore” cream.

**SUITABLE FOR:**

# SECRET OIL

200ml

## Professional Hair Treatment oils blend.

- Enhances the moisturization level of the products.
- Helps to restore the damaged coat.
- Deeply moisturizes the skin.

Presenting “**Secret Oil**” – an exclusive fusion of nutrient-rich oils meticulously formulated to synergize with Top Dog’s premier Shampoos and Conditioners. This harmonious blend **elevates moisturization** to unprecedented levels, profoundly **nurturing both skin and coat for sustained vitality**. Tailored for discerning professionals committed to delivering unparalleled pet care excellence, Secret Oil is the quintessential choice. Its transformative efficacy ensures remarkable outcomes that command attention. Moreover, this formulation resonates impeccably with participants in esteemed dog shows, where exacting standards for an immaculate coat are paramount. Elevate your pet care regimen with Secret Oil and embark on a journey to redefine pet wellness and grooming excellence.

## SUITABLE FOR:

# PET FABRIC REFRESHENER

185ml

4lt

**All-round surfaces and fabrics  
Deodorant spray.**

- Removes odours immediately.
- Slow-release technology for long lasting fragrance.
- Wonderful Lavender and Chamomile scent.
- Suitable for all surfaces.

“Pet Fabric Refreshener” is a groundbreaking innovation harnessed through Zinc technology. This extraordinary formulation promptly **eradicates unpleasant odours**, bestowing an aura of Lavender and Chamomile-infused freshness, reminiscent of freshly laundered textiles. Seamlessly versatile, this product proves indispensable for an array of applications, spanning carpets, sofas, flooring, cribs, carrying bags, car seats, apparel, footwear, pet bedding, playthings and diverse surfaces. Notably, it excels in extending the longevity of cat litter’s pristine scent. Housed within a distinctive packaging, the Pet Fabric Refreshener features an intricately designed spray pump, ensuring precise and uniform dispersion of the product. This meticulous engineering translates into optimized efficiency, ultimately yielding significant cost savings.

# TOP DOG DILUTION BOTTLE

500ml

1lt

**Top Dog Shampoo Dilution Bottle**, exhibits both purpose and convenience. Its layout incorporates four distinct dilution ratio indicators (5:1, 10:1, 20:1 and 50:1), empowering users with **unparalleled accuracy during the dosing process** that guarantees **minimal wastage**, underscoring our commitment to **resource optimization**. These indicators serve as steadfast guides, allowing for the **precise calculation of shampoo dosage** in alignment with your pet's size and the designated dilution ratio for Top Dog shampoos. Furthermore, each measurement is complemented by an accompanying volume marker, fostering exact measurements without complication. Produced from supple LDPE plastic, this bottle combines user-friendliness with durability. The inclusion of a generously proportioned dispenser ensures a consistent, spill-free application, guaranteeing uniform coverage across the coat. Top Dog Shampoo Dilution Bottle is an essential addition to the arsenal of every professional pet groomer that seeks efficiency and precision.
